

REMARKS

Claims 19 to 24 are pending

Restriction was required in the parent application. This divisional application is directed to the subject matter of Group II, claims 19-24, non-elected in the parent application.

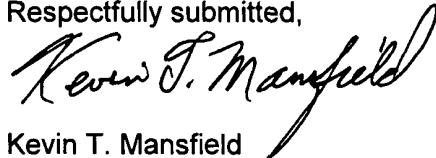

Claims 19-24 original claims have been amended to eliminate multiple ranges, to reduce filing fees by eliminating multiple dependencies, and to provide minor clarification.

Claim 19 has been amended to include the composition of original claim 1 and 10, and the incomplete phrase "wherein amount of C.I. Pigment Violet 19" has been deleted. This phrase is a typographical error in the original. Claims 26-31 are new and are based respectively on the original claims 20, 21, 21, 23, 24, and 24. No new matter has been added.

Applicants aver that the claims are now in better form for examination. An Action on the merits of the claims is respectfully awaited. In the event that minor amendments will further prosecution, applicants request that the examiner contact the undersigned representative.
